

3.3 ENVIRONMENTAL POLICY

Diplomat Armored Rentals, LLC is committed to providing quality service to all of its customers and operates both to the ISO 9001 quality management system and the ISO 14001 Environmental Management System. Its business and environmental commitment aims to save natural resources by reducing waste and by recycling materials wherever possible.

This commitment extends to all areas of its business whether carried out on its own or on its customers' premises. It further aims to continuously improve its environmental performance in order to safeguard the quality of the environment, both locally and globally. To facilitate this commitment it operates as follows:

WASTE DISPOSAL

Whenever possible, recyclable waste is returned to approved companies for recycling.

TRANSPORT

It is company policy to ensure that its vehicles are maintained in good running order.

LEGISLATION AND REGULATIONS

All applicable legislation and regulations are adhered to at all times and it is company policy to stay up-to-date on and implement the requirements of all new environmental legislation.

MANAGEMENT RESPONSIBILITIES

The Senior Partners and Managers are responsible, both individually and collectively for communicating to all employees the environmental needs of the company and for enacting the environmental policy of the company.

WILDLIFE

When applicable, the company endeavors to reduce the disruption of any flora and fauna it encounters to a minimum. It will always work within the environmental law and specified guidelines. It will always aim to better the minimum legal requirements in these regards.

LOCAL REQUIREMENTS

It is the aim of the company, irrespective of any regulations or legislation to be a good neighbor and/or visitor to any location where it provides service. While undertaking its service, it will reduce to an absolute minimum any environmental pollution to homes, land, water, and any other companies working on the same or adjacent sites.
